Members of the College of Marin Community,

As the Accreditation Liaison Officer (ALO) for the college, I wish to provide you with a further update regarding the accreditation update which President Coon mentioned in his recent Convocation address.

I am pleased to report that our *ACCJC Follow-Up Report* is in the final revision stage with Dr. Meier, our new vice president of student learning. The college is fortunate to have Dr. Meier's substantial accreditation-related experience acquired during his career in the California Community College System as he assesses our report.

I would like to use this opportunity to acknowledge those who contributed to this Follow-Up Report: (a) faculty leads, (b) committee members*, (c) the President's Cabinet members, and (d) anyone who has contributed toward this report. Last but not least, Barbara David has been working on the editing of the report night and day. Thank you for all your contributions!

Please note:
You will receive an email announcing the posting of the report on the website for your review in the near future. Please take this opportunity to review it and provide your feedback by Wednesday, August 31. Not only does the Accrediting Commission for Community and Junior Colleges (ACCJC) expect the college to discuss, review, and provide feedback on the report, but the college also sincerely wants your constructive feedback and comments (i.e., *This is a great report; I did not know we have achieved so many great things; or We can do better in XX area and here are possible strategies, etc.*). You can provide your feedback through: (a) committee meetings; (b) staff meetings; or (c) one-on-one feedback via email or in person. (If you provide your feedback in meetings, it will be forwarded to me.)

The timeline for the Follow-Up Report is as follows:
