ADDENDUM NO. 2
June 15, 2006

for

LARKSPUR ANNEX DEMOLITION
and
SITE IMPROVEMENTS

NOTICE TO ALL PLAN HOLDERS SUBMITTING BIDS FOR THIS WORK:

You are hereby notified of the following information, changes, clarifications or modifications to the original Contract Documents, Project Manual, Drawings, Specifications and subsequent Addenda. This Addendum shall supersede the original Contract Documents and previous Addenda wherein it contradicts the same and shall take precedence over anything to the contrary therein. All other conditions remain UNCHANGED.

CLARIFICATIONS AND CHANGES TO THE SPECIFICATION MANUAL AND DRAWINGS:

General:

AD2.01 Project Manual: Document Section 00 72 13, Paragraph 13.1.1.2, subcontractors are required “...to procure and maintain similar...insurance with minimum limits equal to the amount required of the Contractor”. Amounts are listed under the table in Paragraph 13.1.6. It has been determined that subcontractors may elect to carry insurance that does not exactly match the specific individual amount limits so long as the subcontractor insurance provides the overall total limit.

AD2.02 Project Manual: Document Section 26 24 13, Paragraph 2.03.I shall be deleted in its entirety.

AD2.03 Project Manual: Document Section 26 24 13, Paragraph 2.03.L shall be deleted in its entirety.

AD2.04 Project Manual: Document Section 26 24 13, Paragraph 2.03.O shall be revised to read as follows:

"O. Interrupting Capacity: Minimum capacity shall be 22,000AIC or as indicated on the drawings."
