QUESTION # 15:
I understand there is a desire to mesh the Program Controls software with the District's financial management system. It is my understanding that the District’s current system is outdated and has severe limitations. Do you anticipate the District to update their system to a state-of-the-art system such as Datatel or SCT Banner, two systems that are currently in use by some of our other CC clients?

ANSWER # 15:
Yes, COM is planning to purchase an Enterprise Resource Program (ERP). Datatel and SCT Banner will be considered, along with other companies.

QUESTION #16:
Can you clarify what you are looking for relating to a Fee Proposal at this time? (Hourly rates, percentage, stipulated sum)

ANSWER # 16:
District will assess proposal based on information submitted in response to the District's RFP. It is assumed that respondent knows how to assess PM/CM fees.

QUESTION #17:
Have you given any thought to what information you would like us to address in the interview? Will there be specific questions/subject areas you would like us to address?

ANSWER # 17:
In accordance with the District's RFP, each contractor will have 40 minutes to present their presentation, and a 20 minute Q & A period. Your presentation and the Q & A period should address requirements established in the District's RFP.
