California Residency Certification

The information you provide in the following section will be used to determine your California residency status. Non-residents of California will be assessed non-resident tuition at the time of enrollment.

In general, to qualify as a California resident, you must have resided in California with the clear intent of making California your permanent state of residence for a minimum of one year and one day prior to the first day of instruction for the term in which you are enrolling. There are certain exceptions to the California regulation which apply to military personnel and their dependents, or in the case of certain students below the age of 19 years.

IMPORTANT: Students classified incorrectly as residents of California are subject to reclassification for payment of nonresident tuition.

All applicants must answer the following question. If you are under 19 years of age answer for your parent or guardian.

- Have you lived in California continuously for at least the last two years? Yes No
If NO, when did your CURRENT stay in California begin?
