STUDENT SERVICES

Services are offered at both campuses. Please refer to class schedule for specific locations and office hours.

Bookstores
The Kentfield Campus Bookstore is located on the ground floor of the Learning Resources Center. The bookstores sell all required texts and supplies that instructors order for their classes. In addition, the bookstores also stock gift items, imprinted shirts, and art supplies.

Refund Policy
1. Please read refund policy (including refund dates) in store for the most current information.
2. Refunds are given only for textbooks purchased for classes of the current semester.
3. A CASH REGISTER RECEIPT IS ABSOLUTELY REQUIRED FOR TEXTBOOK REFUNDS.
4. To be refunded, new texts must be in brand new condition. If damaged or a name is written in the text, only a percentage of the retail value will be refunded.
5. Refunds for supplies given only if defective at time of purchase.

Buy-back Policy
At the end of each semester, students may sell their texts back to the bookstores for up to 50 percent of the price for which the text was purchased provided the store needs the text. The buy-back days and hours will be posted.

Bookstore Hours
The bookstores at both campuses will have hours posted.

CalWORKs
College of Marin, in partnership with the County of Marin, provides education and support services to students who are participants in the CalWORKs program. To participate, one must be identified and referred by the Marin County CalWORKs office. Special educational programs, childcare, and internship opportunities are available to support student success and entry into the workforce.

Children's Centers
The Children's Centers are located on both campuses and provide a high quality preschool program. Student teachers are trained in the program, in addition to work-study and psychology students. Admission is based on the California State Department of Education guidelines. College of Marin students have priority admission. The childcare fees are based on family income, and priority is given to low-income students.

Interested parents must submit a preliminary application, available at the Centers or by phoning (415) 883-2211, ext. 8221. Applications must be received at least three weeks in advance of the semester to allow time to receive the application packet, complete the forms, and make an enrollment appointment. Interested parents should call for a preliminary application as soon as possible, preferably at the end of the semester prior to desired enrollment. The Centers may be full before the semester begins. A waiting list will be established. Late applications will receive a lower priority.

College Health Center
The Health Center is available to all currently registered students. It provides first aid, health education, care and treatment for short-term medical concerns, OTC and some prescription medications, immunizations, TB testing, voluntary insurance plans, physical exams for College of Marin programs and college entrance, anonymous HIV testing, flu shots, physician appointments and more. Personal counseling is available through the Counseling Department by calling (415) 485-9432 for an appointment.

Each properly registered student has coverage under the Marin Community College District’s student accident insurance policy for accidents occurring on either campus, at any site where College of Marin courses are offered, or at other College of Marin-sponsored and supervised activities. Students participating in athletic competition are insured under this accident insurance policy. NOTE: THE STUDENT ACCIDENT INSURANCE POLICY IS SUPPLEMENTARY TO THE STUDENT’S OWN PERSONAL MEDICAL INSURANCE AND DOES NOT GUARANTEE FULL COVERAGE.

Students should be aware that if they sustain an injury while in class or participating in a school-sponsored activity, they must report it immediately to their instructor or supervising authority. Students must also contact the Health Center within ten (10) days of the injury in order to be properly covered for reimbursable expenses in accordance with policy coverage.

College Honor Societies
The Alpha Sigma and Sigma Nu Chapters at the College of Marin are affiliated with Alpha Gamma Sigma, the Honor Society of California Community Colleges. Alpha Sigma at the Kentfield Campus and Sigma Nu at the Indian Valley Campus encourage and recognize scholarship and also promote service to the College and to the community.
Both Chapters welcome new members who have completed at least 12 graded units of college work with a 3.0 GPA or higher. The Chapters’ affiliation with the State organization provides contact with community colleges throughout the State through regional conferences and State conventions. Its members are eligible to apply for State as well as campus scholarships and awards.

The Beta Xi Kappa chapter at College of Marin is affiliated with Phi Theta Kappa, whose purpose shall be to: “recognize and encourage scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa shall provide opportunity for the development of leadership and service, for an intellectual climate for exchange of ideas and ideals, for lively fellowship for scholars, and for stimulation of interest in continuing academic excellence.” Phi Theta Kappa’s mission is two-fold: (1) to recognize and encourage the academic achievement of two-year college students and (2) to provide opportunities for individual growth and development through participation in honors, leadership, service, and fellowship programs.

Students are encouraged to join Beta Xi Kappa by having completed 12 graded units of transferable college work with a 3.5 GPA or higher. Scholarship opportunities are available for participating members.

Computer Centers

Science Center Computer Labs
The Science Center Computer Labs provide students with easy, open access to computers. Although there are regularly scheduled classes in the labs, there are plenty of opportunities during the week for individual work. In addition to software for science, math, and engineering classes, the computers are networked to the Internet and have typical word processing, spreadsheet, database, and presentation software.

The center consists of two labs with a total of 37 computers; one lab has an instructor station connected to an overhead projector, and the other lab includes five computers connected to diagnostic physiology equipment.

The labs are open during the week to all students at College of Marin, with extended hours at the end of the fall and spring semesters.

Writing Center
The Writing Center is open to all students for support and tutoring in writing projects and functions as the English Writing Lab for students enrolled in English Composition and Literature courses. The English Writing Lab supports students by offering one-on-one tutoring on their course assignments and projects.

The Writing Center provides students with tutoring to improve reading and writing skills and also provides access to computers and to the Internet for research and writing in all disciplines. Students have access to word processing, Web browsing, printing, scanning, and, most importantly, tutoring by COM instructors. Tutoring is offered either face-to-face or online, via an online
writing center website. All students working on reading and writing projects in any discipline are welcome. Students enrolled in English courses have priority.

Disabled Students Program

This program offers support services and special classes to students with learning, communication, physical and psychological disabilities.

The program offers services to students on both campuses. These include Adaptive PE, learning disabilities assessment, computer-assisted instruction for special learning needs, and specialized academic, personal and vocational counseling. The College also offers educational and mobility aids, note takers, readers, e-text, and interpreters, as well as liaison with instructors and other campus services and referrals to community agencies. Club events and trips also offer excellent socialization opportunities and personal support while attending school.

Enrollment in the Disabled Students Program requires an initial appointment with a counselor.

G.E.D. Preparation/Basic Skills Programs

The G.E.D. (General Educational Development) Preparation program is a learning lab designed to help those who have not graduated from high school pass the G.E.D. exams. Thorough diagnostic testing identifies strengths and weaknesses. Individual study plans focus on each student's needs. The open-entry learning lab allows students to start at any time and improve at their own pace. Instructors will guide students through workbooks, computer programs, online exercises, and other materials. Practice testing helps assure readiness.

Check the Community Education schedule for current hours. There is no fee for the labs.

Intercollegiate Athletic Eligibility

Eligibility for Intercollegiate Athletic Competition is governed by the State Commission on Athletics. A student must be continuously and actively enrolled in a minimum of 12 credit units
at his/her community college during the season of sport. Of the 12 credit units, at least nine will be in courses counting toward the Associate degree, remediation, transfer, and/or certification as defined by the College Catalog.

A student who has previously participated at another college or university should check with the Director of Athletics to clarify eligibility to further participate at the College of Marin.

See College Health Center regarding athletic injuries.

(415) 485-9580

Media Center and Media Courses (Distance Learning)
The College offers a variety of credit courses through television, video, or Web-based environments. The telecourses may be viewed on the community access channels of Marin County’s cable company. Distance learning courses are self-paced and provide an excellent alternative for students who are unable to attend classes during traditional hours, or who would like to take additional units in a time-efficient manner.

Additionally, some courses are offered on videocassette and DVD and are available for viewing at the Kentfield campus. In addition to the video/DVDs, these courses often include some scheduled on-campus meetings, readings, student assignments, and some form of evaluation. The videos for these courses are generally available for checkout.

The Media Center also houses an all-new wireless computer lab with 30 Windows-based personal computers and 2 Intel Macintosh computers. You can access all software associated with your classes, write a paper, research online or even access your foreign language lessons. Staff are available to assist you with computer-related questions.

Performing Arts
The Performing Arts Department (Music, Drama, and Dance) presents many fine concerts, plays, and dance performances every year for the college community and the Marin public. COM students are encouraged to attend. Many events are free, but for those with an admission charge, students are offered discounted ticket rates. Email COMmusic@marin.edu to receive announcements of music department events, or contact the office at (415) 485-9460. For information about drama and dance events, call (415) 485-9555.

Even if you are not majoring in the performing arts, participating in an artistic production is a fun way to express yourself, and to meet new friends. If you have a talent in music, dance or drama, are interested in small paid jobs in concert or stage management or audio/video recording, or would like to volunteer to usher for one of our productions, please call one of the above numbers for additional information.

Puente Program
This year College of Marin has been certified to implement the Puente Project, a highly acclaimed English and mentoring program that supports underserved students’ transferring to four-year universities. The one-year program is a learning community offering instruction in English 120 in the Fall along with a counseling course, and English 150 in the Spring; students are also paired with a mentor, often from the business/professional community in a field of interest to the student. The mission of
the Puente Project is to increase the number of educationally underrepresented students who enroll in four-year colleges and universities, earn degrees, and return to their respective communities as leaders and mentors to future generations. The first Puente Project was initiated at Chabot College in 1981. Since then, the successful program has been replicated at 59 community colleges and 33 high schools in California. The UC Regents oversee the programs. For more information, call (415) 485-9375 or email Arnulfo Cedillo.

Student Affairs Program and Associated Students

Beyond the classroom, the College encourages students to initiate and join in activities and programs that develop leadership ability, interpersonal skills and community involvement.

Through involvement with the Associated Students or College clubs, students may participate in a “hands-on” curriculum designed for personal and professional development. Students may learn how to run effective meetings, work successfully with others to achieve common goals or resolve differences, manage their time and commitments, assume or delegate responsibility, turn conflict into cooperation, and gain in self-confidence. Learning how to build, develop and manage budgets, participating in special projects, and volunteering are often highlights of the college learning experience. This experience is fun and actually helps prepare students for better success in career planning and skill building.

Students who wish to take advantage of this unique aspect of the college should contact the Associated Students or Student Affairs offices to find out more about Associated Students, Student Senate, student appointments to College committees, clubs and organizations, student project funding, and special student forums and events.

For further information about activities and organizations, students should consult the semester credit class schedule.

Student Clubs

Under the sponsorship of the Associated Students (ASCOM, ASEC and ASIVC), and in coordination with Student Affairs, students may promote special interests by joining or forming student clubs on campus. With the Associated Students, student clubs are an important part of campus activities.

Eligibility to become an officer of a student club requires that the student be in good academic standing, meet the requirements outlined in the respective Associated Students constitutions, and any other requirements set by individual student clubs. Each student club is required to have a faculty advisor and to meet operating standards set by the District Business Office in the collection and distribution of club funds.

Testing

Transportation and Parking

Transportation

Golden Gate Transit provides bus service from all areas of Marin County to the College. Bus schedules are available in the Student Services areas on both campuses and in the Student Services Center at the Kentfield Campus.

Student Parking

Student parking areas are available in various campus locations and are designated “STUDENT PARKING.” Please do not park in areas posted Staff or Faculty Parking. Infractions of parking or traffic regulations may result in an official citation issued by the College Police. Students are requested not to park in adjacent areas that are for patrons of local merchants. These merchants often tow illegally parked vehicles at the violator’s expense.

Motorcycle Parking

Motorcycles do not require a parking permit if they are parked in designated motorcycle parking areas.

Student Parking Permits

A parking permit is required at all times except Saturday, Sunday and holidays. A $50 (subject to change) parking permit may be purchased for the fall or spring semester, or a daily $3 (subject to change) parking permit may be purchased from the parking permit machines located in each student parking lot. Some machines take quarters only. Summer parking permits may be
purchased for $25. For the location to purchase parking permits, please refer to the class schedule. Financial aid recipients may purchase a semester parking permit for half-price. Parking regulations are available when purchasing parking permits, or at the District Police Office located in TB-1.

(415) 485-9455

Disabled Parking
Parking permits are not required on vehicles displaying a disabled placard or license plates issued by the California Department of Motor Vehicles to the physically disabled. College police do not issue disabled parking permits.

Policies on Conduct and Grievances
All members of the College community are subject to State and Federal laws, as well as policies and procedures established by the Board of Trustees.

There are two important policies that all students should be aware of: (1) The Student Conduct Policy and (2) The Student Grievance Policy. These policies are briefly described below. Questions regarding these policies and procedures should be referred to the Dean of Student Development and Special Programs.

Student Conduct
The following conduct will not be tolerated and shall constitute good cause for discipline, including, but not limited to, removal, suspension or expulsion of a student.

• Causing, attempting to cause, or threatening to cause physical injury to another person.
• Abuse or assault of any District employee, including, but not limited to, violation of Education Code Section 87708, which may result in criminal charges in addition to any other disciplinary action.
• Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including, but not limited to, any facsimile firearm, knife, or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from a District employee, with the concurrence of the Superintendent/President.
• Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.
• Committing or attempting to commit robbery or extortion.
• Committing or attempting to cause damage to District property or to private property on campus, or knowingly receiving stolen District property or private property on campus.
• Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the District.
• Committing sexual harassment as defined by law or by District policies and procedures.
• Engaging in harassing or discriminatory behavior based on race, sex, (i.e., gender) religion, age, national origin, disability, or any other status protected by law.
• Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, District personnel.
• Cheating, plagiarism (including plagiarism in a student publication), or engaging in other academic dishonesty, including, but not limited to:
  ◦ Copying, in part or whole, another student’s quiz or examination answers.
  ◦ Submitting work previously submitted in another course, if contrary to the rules of either course.
  ◦ Altering or interfering with grading.
  ◦ Using or consulting any sources or materials, including electronic devices, during an examination unless expressly authorized by the instructor or as a permitted accommodation.
  ◦ Misrepresentation or falsification of academic work for purposes of obtaining a higher grade.
  ◦ Submitting a paper purchased from a research or term paper service, or written by another student, and falsely representing it as one’s own work.
  ◦ Purposely allowing another student to copy answers during a test.
  ◦ Knowingly providing homework, a term paper, or other academic work for another student.
  ◦ Having another person submit any work in one’s name, for purposes of deceiving the instructor to obtain a higher grade.
  ◦ Lying to an instructor or District official to obtain a higher grade.
  ◦ Altering graded work after it has been returned and re-submitting the work for grading without the instructor’s permission.
College of Marin 2008/09

Student Services

The College will provide legal defense in any proceeding brought against an employee for any act or omission made within the scope of his or her employment by the College, to the full extent provided by law, including but not limited to Government Code 995, et seq.

Student Grievances

Student grievances fall in different categories. A complaint that involves a student and a member of the faculty can be defined as a student academic grievance. Such a grievance is limited to issues involved in grading assignments and may demonstrate mistreatment.

A complaint may be logged by a student against another student for actions on campus or at a College-sponsored function.

In case of sexual harassment, the student should report the incident immediately and directly to the Executive Dean of Human Resources.

Guidelines on the filing of a grievance are available from the Director of Student Affairs.

Smoking in District Facilities

The Board of Trustees of College of Marin recognizes that smoking presents a health and safety hazard that can have serious consequences. Therefore, the Board and the California Education Code prohibits smoking by staff, students and visitors at all times and in all buildings of the District, and within 10 feet of all buildings, including covered walkways, courtyards, ramps or entrances to buildings. Violation of this policy could lead to disciplinary action under usual disciplinary procedures.

Drug-Free and Alcohol-Free Campus

It is the policy of the District to maintain a drug-free and an alcohol-free awareness program. The program has and will continue to include the distribution of information on the dangers of drug and alcohol abuse, and referral resources for counseling and rehabilitation dealing with drug abuse problems.

The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited on any of the College of Marin campuses. The term “controlled substance” is defined in the Health and Safety Code 11007.

Students who violate these prohibitions will be subject to disciplinary action up to suspension from College, in addition to criminal prosecution.

Sexual Assault and other Assaults on Campus

Any sexual assault or physical abuse, including, but not limited to, rape, as defined by California law, whether committed by an employee, student or member of the public, that occurs on District property, is a violation of District policies and procedures, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. Students, faculty, and staff who may be victims of sexual and other assaults shall be treated with dignity and provided comprehensive assistance.

The President/Superintendent shall establish administrative procedures that ensure that students, faculty, and staff who are victims of sexual and other assaults receive appropriate information and treatment, and that educational information about preventing sexual violence is provided and publicized as required by law. The procedures shall meet the criteria contained in EC 67385, 67385.7 and 34 C.F.R.§ 668.46.

OUR PHILOSOPHY IS "STUDENTS FIRST!"

KAY RYAN
Basic Skills Professor, Poet Laureate

Post Laureate Kay Ryan has taught basic English skills at College of Marin for more than 30 years. Ryan’s students are often serious, hardworking people in their late twenties or early thirties intent on improving the quality of their lives through learning. Without strong English writing and reading skills, well paying jobs and promotions elude them.

W. ALLEN TAYLOR
Drama Professor, Award Winning Playwright and Actor

“We teach from the heart and the head will follow,” says W. Allen Taylor, an award winning playwright, director and actor who brings his 25 yearlong award winning acting career to the classroom and stage at College of Marin. When Taylor is not teaching, he is often acting and directing works throughout the country. Taylor has performed on network television and in regional theaters around the country.

KAZUKO SHIOTA
Japanese Professor

College of Marin students who study Japanese with Kazuko K. Shiota learn more than words, intonation and grammar. Learning Japanese is about learning the culture from which the language springs. Shiota says, “Language is culture.” It is one way Americans can begin to understand the Japanese perspective and diverse ways of the people.

JAMIE TIPTON
English Professor, Author

The best part of teaching, according to College of Marin English Professor Jamie Tipton, is constantly dealing with a subject that inspires and having the opportunity to share that inspiration. Tipton is the author of numerous works. His most recent historic novel, Annette Vallon (Harper/Collins, 2008), landed on the San Francisco Chronicle’s top ten best seller list of Bay Area books.
