ABOUT COLLEGE OF MARIN

HISTORY OF THE COLLEGE

College of Marin has been a tradition in Marin County since 1926. Formerly Marin Junior College, it granted its first associate degrees in the spring of 1929. In 1947, the college was renamed College of Marin. In 1971, the Board of Trustees established the second college of the district and named the new institution Indian Valley College. The college operated in temporary facilities at Hamilton Air Force Base and at the Pacheco School while new facilities were under construction. Indian Valley College's first associate degrees were awarded in 1972 and the new campus opened in the fall of 1975. In 1985, the two colleges merged and are now known as College of Marin. Classes are offered on the Kentfield Campus in Kentfield and the Indian Valley Campus in Novato.

In 2004, Marin County voters approved a \$250 million facilities improvement bond to revitalize the aging Kentfield and Indian Valley Campuses. Since passing the bond, three major construction projects have been completed or are very near completion, including the Irwin P. Diamond Physical Education Complex, the new Transportation Technology Education Complex, and the new Indian Valley Campus Main Building. Other projects currently underway include: the Kentfield Fine Arts Building and the new Science, Math, and Central Plant Complex. In spring 2010, the Irwin P. Diamond Physical Education Center was awarded LEED Gold by the Leadership in Energy and Environmental Design (LEED®) Building Rating System, which was developed by the U.S. Green Building Council (USGBC).

College of Marin serves the educational needs of the residents of Marin County. Since its inception, the college has offered high quality courses allowing students to complete their freshman and sophomore years of study and transfer to public and private four-year universities. The college awards associate degrees in many transfer majors. A variety of two-year vocational and career programs leading to an associate degree are also offered to prepare students for entry into specific technical or semi-professional fields. Skills Certificates and Certificates of Achievement are awarded in vocational and technical programs.

Emeritus College

Designed to meet the needs of the county's older adult lifelong learner population, Emeritus College (EC) is a unique program offered as an integral part of the District's Community Education program. Courses offered through EC aim to support the principles of quality of life, lifelong learning, and creative retirement.

Emeritus Students College of Marin (ESCOM) was created to support and enhance the Emeritus College program. To achieve this goal, members participate in the identification and development of courses, forums, concerts, lectures, and other activities of interest to older adult students. ESCOM is a vital part of the College of Marin and an advisory group to Community Education. Members participate in the college governance system and on other college committees and task forces.

ESCOM is organized so that its members may learn and develop through study, clubs, and auxiliary activities. Intensive English Program

The Intensive English Program (IEP) is an international community of English language learners for international students (F1s), aupairs (J1s), and residents preparing to enter American colleges or universities. The (IEP) offers two 16-week semesters each year for F1 students. Each semester consists of 20 hours per week total instruction time in four subject areas: grammar, reading, writing, and speaking/listening/pronunciation. Academic English skills, TOEFL preparation, and cultural events and field trips in the San Francisco Bay Area are included. J1s may attend part-time between five and 15 hours per week for eight- or 16-week sessions. Students are placed into one of three levels of classes (high beginning, intermediate, advanced) depending on their scores on the placement tests during the first week of the semester. Students advance through the program by completing all assignments and scoring a minimum level on the placement test for the next level. F1 students usually attend the IEP between one and three semesters (depending on their skill level upon arrival and on their TOEFL score) before transferring to a credit program. Students who complete all of the Level 3 courses in the IEP have their TOEFL requirement waived for the COM credit program.
