CONSTRUCTION PARKING NOTICE

While our campus is under construction, it will be necessary to periodically close parking lots as appropriate for various projects. More detailed information on parking lot closures is available in the College Schedule. Lots 12 and 15 typically have spaces available, and lot 13 remains a "free" lot.

We appreciate your patience during our modernization process. Please refer to class schedules for updated construction and parking information.

PARKING

Vehicles on campus are subject to parking and traffic regulations by the Board of Trustees, Marin Community College District.

All cars must have a parking sticker, or display a daily parking permit which may be purchased from the parking ticket dispensers located in parking lots.

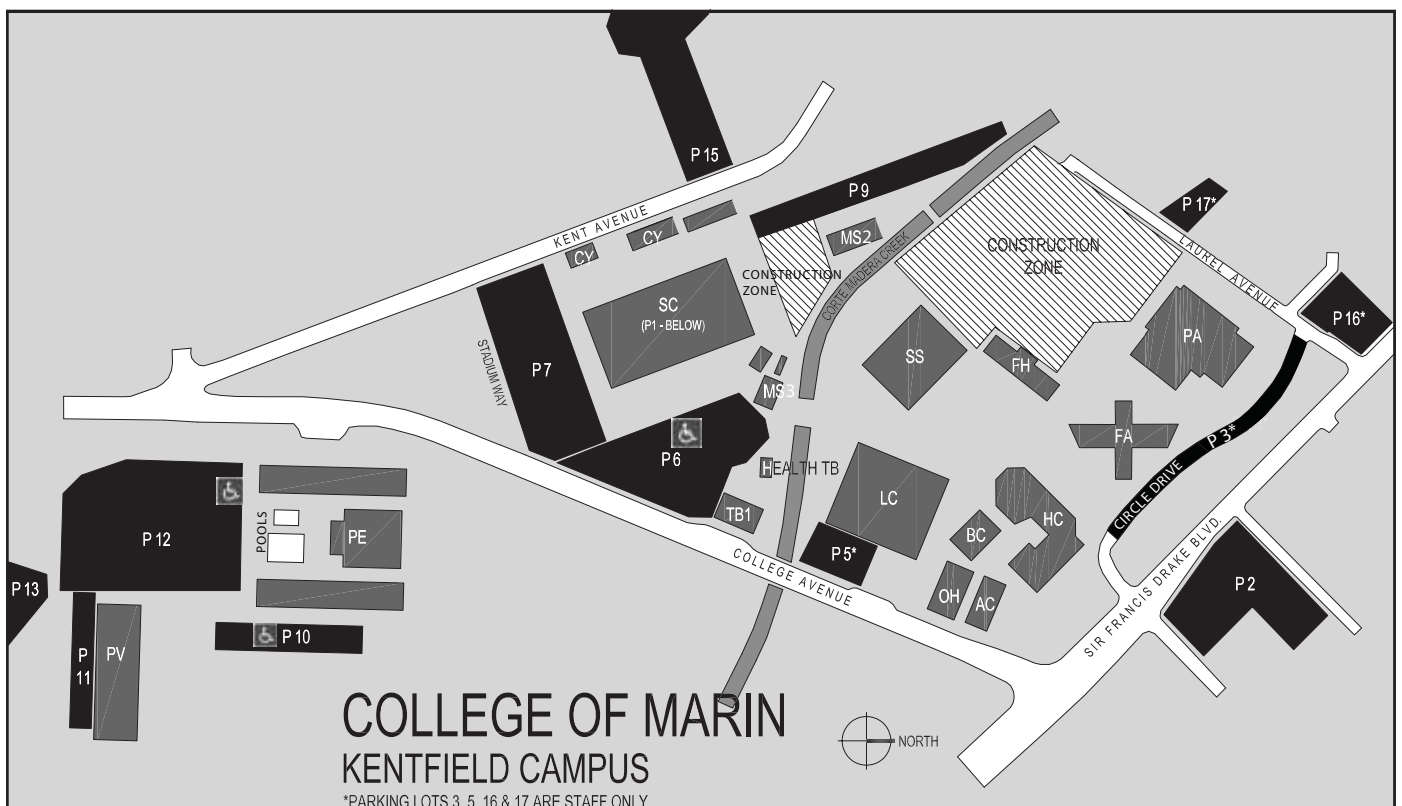

Parking permits are required at all times, except Saturdays, Sundays and school Holidays, and in Lot 13.
