

A vertical column of puzzle pieces on the left side of the slide. The background is a gradient of blue. There are several light blue puzzle pieces and three yellow puzzle pieces with black outlines. The yellow pieces are positioned at approximately the 30%, 55%, and 85% marks from the top of the column.

- Utility work (bioretention / 12 kV / boiler)

The left side of the slide features a vertical column of puzzle pieces. The background is a solid blue color. The puzzle pieces are arranged in a vertical line, with some being solid yellow and others being light blue with a darker blue outline. The pieces are scattered, with some overlapping, creating a decorative border on the left side of the slide.
