COM Emergency Medical Technician Program

This course is for people who will be responding to the sick or injured and will work in the capacity of basic life support providers. This can include, but is not limited to, Firefighters, Police, Nurses, Trainers, and Industrial Safety personnel.

“This course is for people who will work in the capacity of basic life support providers.”

Currently there are over 40 departments or organizations in Marin County that use or need Emergency Medical Technicians.

Upon successful completion of this course, students will be awarded an EMT-1 course completion certificate and may apply for certification with any county within California. Successful completion of the course is dependent upon attendance at all lecture, laboratory and clinical hours and obtaining passing scores in all written and practical examinations.

Each class will be a combination of lecture and lab. During class, 12 scenarios will be initiated using students and Basic Life Support (BLS) equipment. Thirty seven quizzes completed on-line, midterm test and written final. The skills final is pass/fail.

Classes are held two nights a week, 6:00pm to 10:00pm Monday and Wednesday or Sunday from 8:30am to 5:00pm. Ten additional hours of ambulance/hospital observation is required.

Each class is limited to 28 students each semester. Spring and Fall semesters are 16 weeks of instruction each.
