CONSTRUCTION NOTIFICATION - IVC

Date: March 30, 2010
To: College of Marin
From: Michael Stroud, Project Manager
Re: IVC Utilities Project (407B) – Ignacio Blvd. Construction Activity

Ignacio Blvd. and Campus Perimeter Road Construction Activity

When: Starting Monday April 5, 2010 through approximately the end of August 2010

Traffic on Ignacio Blvd. will be limited to two lanes during the IVC underground utilities upgrade and construction work. Traffic will be routed to the north or south side of street during this time.

Access to the perimeter road will be limited to construction and emergency vehicles only while construction is in progress. This includes areas to the north and south of Bridge 6 (adjacent to the New Main Building and Transportation Technology Complex – Pomo1 & Pomo 2).

Parking Lots # 5, 6, 7 and 8 will remain open.
