The Board of Trustees is committed to a safe and secure District work and learning environment. To that end, the Superintendent/President shall establish a District Safety Plan with minimum disruption to the educational program and ensure that it is posted or otherwise made available to students. The District Safety Plan shall include availability and location of security personnel, methods for summoning assistance of District Police, any special safeguards that have been established, any actions taken in the preceding 18 months to increase safety, and any changes in safety precautions to be made during the next 24 months.

The Superintendent/President and/or designee is authorized to close District facilities, including the campuses, delay the opening of the campuses, or dismiss classes early for emergency reasons and to protect the health and safety of the campus community.

4. The Superintendent/President shall develop procedures for responding to District emergencies.

From current College of Marin Procedure 5.0021 titled Liability of Staff for Student Welfare

Teaching staff members because of their proximity to students, are frequently confronted with situations, which, if handled incorrectly, could result in liability to the District and personal liability to the staff member. Therefore, the Superintendent/President and shall ensure that:

1. Each instructor District employees maintains a standard of care for supervision, control and protection of students commensurate with assigned duties and responsibilities.

2. Each instructor District employees immediately reports to the Superintendent/President or designee an accident or a safety hazard he/she detects.
3. Students are not required to perform work or services which may be detrimental to their health.
