The Board of Trustees delegates to the Superintendent/President the authority to regulate the use of bicycles, skateboards, roller skates, roller blades, scooters and other similar devices on District property. The use of bicycles, skateboards, roller skates, roller blades, scooters and other similar devices on District property is a cause of concern in that unsupervised use presents an unwarranted risk of harm not only to those who use bicycles, skateboards, roller skates, but also to other people who may be present while such use takes place.
