

College of Marin Strategic Plan Progress Report

Administrators responsible for implementing Strategic Plan Action Steps presented their **Strategic Plan Progress Reports** at the Planning, Resource and Allocation Committee (“PRAC”) meeting on January 25, 2011 (per “Assessment of Progress on College Priorities and Objectives”, *College of Marin Integrated Planning Manual*, p. 23).

Completed strategic objectives include those relating to: class scheduling analysis and changes to address deficits (especially for commuters and working adults) -and- the preparation and development of a new Technology Plan 2010-2016. Other individual completed action steps relate to Distance Education, Career Technical Education offerings, and student retention and success, although more work remains in these overall strategic objective areas.

The Strategic Plan 2009-2012 consists of 22 Action Steps belonging to 7 Strategic Objectives and 3 priorities.

In the July 2010 Strategic Plan Progress Report provided to the Board of Trustees, CoM reported completing 11 Action Steps, with 11 Action Steps remaining “in progress”, ranging from 25-80% completion.

At the January 25th PRAC meeting, CoM reported increased progress by completing 50-100% of the 11 remaining (original) Action Steps. Additionally, 9 new Action Steps were added since July 2010. Reported progress on these new action steps ranged from 25-50%.
