From:	Superintendent/President	Item & File No.	B.10.K.5(a)
Subject:	Fine Arts Building Project (306C) Approval of Prequalified General Contractors		
Reason for Board Consideration:	APPROVAL	Enclosure(s):	None

BACKGROUND:

On January 15, 2008 the Board approved a contractor pre-qualification package for use on various Measure C construction projects. Following that approval, and as part of an ongoing quality review process, the scoring sheets were re-evaluated and minor changes were incorporated. Legal counsel reviewed the changes and on May 13, 2008, the Board approved the final version of the score sheets for General Contractor pre-qualification.

Prequalification submittals for the Fine Arts building on the Kentfield campus were due on February 12, 2009. A total of 29 prequalification packages were received and a short list of 26 General Contractors meeting the criteria is presented for approval by the Board of Trustees.
