

STUDENT SERVICES

Academic Counseling

Information and advisement is provided to achieve a two-year degree from College of Marin. Counselors also assist students in selecting courses to meet specific transfer requirements to a four-year university or college.

Career Counseling

Career counseling is available to help students develop their goals. This may include personality, ability, aptitude, and interest inventories used in conjunction with the student's academic record to develop an appropriate career choice.

Personal Counseling

Students may also need help with personal problems which interfere with their educational progress. Counselors are available to give such help and to refer students in serious distress to private and public mental health agencies in the area.

Transfer/Career Center

The Transfer/Career Center provides information and guidance to all students intending to transfer to a four-year college/university. Students can find resources including catalogs and informational handouts on all California and most National Colleges/Universities.

Outreach

College of Marin seeks to be an active participant in the efforts to aid the educational, cultural, and social conditions of the community it serves.

CalWORKs

College of Marin, in partnership with the county, provides education and support services to students who are participants in the CalWORKs program.

Reentry Services

The Reentry Services Program assists women and men who are single parents, displaced homemakers, or returning to school after a long period of time. In addition to individual academic, personal and career counseling, the Reentry Office provides information and referral services to campus and community services and offers workshops that address specific issues faced by single parents and adult students.

Disabled Students Program

This program offers support services and/or special classes to students with learning, communication, physical and psychological disabilities.

STUDENT SERVICES

Extended Opportunity Programs and Services (EOPS)

EOPS offers assistance to students who meet the EOPS State guidelines for eligibility. Support services include counseling, tutoring, book grants, and peer advisement.

Cooperative Agencies and Resources for Education (CARE)

CARE is an additional support program for EOPS eligible students who are also AFDC/TANF parents. For students who qualify for CARE, CARE grants are available for books, transportation and childcare.

Tutoring Center

The Tutoring Center offers free drop-in and small group tutoring to College of Marin students in nearly all disciplines.

College Health Center

The Health Center is available to all currently registered students. It provides first aid, health education, care and treatment for short-term medical concerns.

Student Affairs Program and Associated Students

Beyond the classroom, the College encourages students to initiate and join in activities and programs which develop leadership ability, interpersonal skills and community involvement.

College Honor Society

The Alpha Gamma Sigma and Sigma Nu Chapters at the College of Marin are affiliated with Alpha Gamma Sigma, the Honor Society of California Community Colleges. Alpha Gamma Sigma at the Kentfield Campus and Sigma Nu at the Indian Valley Campus encourage and recognize scholarship and also promote service to the College and to the community.

Financial Assistance Services

All students enrolling or wishing to enroll in an academic or vocational program at College of Marin may apply for student financial assistance. Eligible students receive funds from a variety of federal, state and community programs to help cover school and living expenses.

Children's Centers

The Children's Centers at College of Marin provides high quality, low cost childcare based on state guidelines of family income. Children's Centers are located on both campuses for preschool age children of College of Marin students. An infant/toddler program is open at the Indian Valley Campus.

Job Placement

The Job Placement Office helps students and former students find employment in the community and the larger Bay Area. Employer files are regularly updated providing students with information on current job openings.

Assessment and Testing

The College recognizes the importance of testing and assessment in both educational planning and successful academic performance. Students and prospective students are encouraged to call the Testing Office to obtain more information on the many services which the office provides.

Transfer/Career Center

The Transfer/Career Center provides information and guidance to all students intending to transfer to a four-year college/university. Students can find resources including catalogs and informational handouts on all California and most National Colleges/Universities. Computers are available for students who wish to use the online career and transfer resources.
