Curriculum Committee

Subcommittee of the Academic Senate

Present: Bill Abright, A. Joe Ritchie, Kristi Kuhn, Win Cottle, Derek Wilson, Chris Schultz

Resource: Kim O’Gara

Guests: Kathryn Freschi, Laurie Ordin, Erik Dunmire David Snyder and Andrea Wang

Call to order – 2:23

Minutes approved – motion B. Abright seconded A. Ritchie – all in favor

Agenda approval as modified – [Including Erik Dunmire and discussion of future meeting dates.]

Discussion Topics:

1. Andrea Wang and Laurie Ordin present a proposed course outline for Math 85, which would create a new entry level course in mathematic. This would be a basic arithmetic course. Discussion also went to the issue of ‘hours to units’ in relation to math 95. Math 95 is offered in a variety of ways for different student units. Laurie will meet with Chris and he will report back on that discussion.

2. Kathy proposed changes to International Studies Degree and requested the committee’s feedback. In particular she was concerned about updating the chart identifying local colleges that offer a similar degree. The Degree is being held for further review.

3. Erik brought a number of course outlines for both Computer Science and Engineering that had been held up in the review process. He presented the corrections and a number were and forwarded to UDWC.

4. There was no report from the Academic Senate.

5. The Committee agreed that the final meeting of the Curriculum Committee for the Fall semester will be December 10. The first meeting of the new year will be either January 21st or 28th depending on the flex schedule. Chris will investigate.
