Approval of Minutes and Agenda

Minutes and Agenda Approved – S. McKinnon and J. Pinckney

Discussion Topics

1. The Academic Senate approved funding to input older course outlines into the new template which will increase the value, accessibility and accuracy of information. Cari will contact an hourly employee we have used in the past to determine if she is interested in starting the work. Chris will find out from the Academic Senate how to make arrangements for a contract to do the work.

2. We briefly discussed the need to update the Curriculum Handbook to support the new template.

3. Committee members were asked to review new revisions to Board Policies before the next meeting. Chris will forward these to all members.
