Topics Discussed

1. Cari reported on the need to update a number of COM degrees. She communicated with the Chancellors Office regarding the need for greater specificity in the course required for a particular degree. She will be working with the Chairs of each of the Departments to identify revised degree requirements.
2. The May 20th meeting will be the last for the Spring semester. We will meet formally next on August 19th at the same time and location. Chris will e-mail dates and times when any member who is available to meet during the intersession can informally review course outlines. No courses will be approved outside of an official committee meeting. Our effort will be to get outlines back to faculty during the break for corrections.
3. Sara reported on the Senate meeting. Yolanda Bellisimo will not be running for the presidency. The new Senate members will take office at the May 20th meeting and the new president will be elected.
