Title 22: First Aid for Public Safety Personnel (FAFPSP)

This class is a Department of Transportation (DOT) approved Advanced First Aid course. Designed for public safety personnel, it serves as the prerequisite for COM’s EMT-1 course, Fire Tech 112; for information, go to www.marin.edu/firetech

It also serves as a bridge between basic and more advanced training. The Title 22 course is perfect for lay responders, first responders and is a good refresher course for professional rescuers.

This course is set up to provide the Advanced First Aid training as well as the CPR for the Professional Rescuer (CPR-Pro).

*Use appropriate course number below when registering.*

There will be an hour lunch break.

A text is not required for successful completion of this class. All materials required for successful completion of the course will be provided by the instructor.

**Course information:**

Instructor: Alexander Bolias

Days: Saturday, 8:00am to 5:00pm; Sunday, 8:00am to 5:00pm
